Power, Together. Awards 2019

Every year at the Women Leaders Global Forum in Reykjavík, outstanding initiatives and movements where people join forces for great change are awarded. For 2019, Women Leaders Global Forum is proud to give the POWER, TOGETHER. AWARDS to the following initiatives:

● **Nobel Women's Initiative**

The focus of the Nobel Women's Initiative on harnessing the collective wealth of women's leadership and experience to provoke concrete change and create opportunities for women's empowerment in areas of peace and security is exemplary.

● **Period Pride Movements**

Women Leaders Global Forum will bring together inspirational initiatives that are working in their communities and abroad to empower women, break down the stigma of menstruation, and push for policy change.
